

Australia Pavilion

OFFICIAL PARTICIPANT

The Australia Pavilion celebrates our dynamic spirit, rich culture, and innovation under the theme **‘Chasing the Sun’**. It highlights Australia’s deep connection between people, technology, and nature while strengthening cultural and economic ties with Japan.

Through immersive experiences, the pavilion showcases Australia’s stunning landscapes, sustainability efforts, and global contributions in innovation.

Inspired by the blossom of the iconic Australian eucalyptus tree – with its many shapes and colours – the design of the Australia Pavilion reflects the vibrancy, strength and diversity of modern Australian society.

Chasing the Sun

Australia’s Expo 2025 Osaka theme embodies the nation’s energy, warmth, and innovation. It reflects our deep connection to the sun as a

source of life and progress, shaping our programming, engagement, and experiences.

Australia: A land of innovation, diversity, and opportunity

With abundant sunlight, we are pioneers in solar energy technology and renewable solutions that contribute to a cleaner future for the planet.

For visitors, Australia offers unparalleled natural beauty and adventure. From the Great Barrier Reef to the rugged Outback, our landscapes attract travellers seeking unique experiences, relaxation, and excitement.

“Our theme, ‘Chasing the Sun,’ highlights Australia as a renewable energy leader and a warm, forward-thinking nation. It showcases our strengths in clean energy, health, agriculture, education, sport, tourism, innovation, and space, while emphasising diversity, sustainability, regional collaboration, and First Nations’ priorities.

We can’t wait to showcase the best of Australia and connect with the people of Japan and the world.”

Commissioner General for Australia, Nancy Gordon

Bringing Australia to Japan

The Australia Pavilion will feature a business, cultural, and visitor engagement program to deepen Japan-Australia ties. With a strong focus on First Nations knowledge, sustainability, diversity, and innovation, it will showcase Australia’s strengths while fostering collaboration in key industries.
